AND WHEREAS, University of Washington, organized and existing under the laws of the State of Washington, and having a place of business at 1107 NE 45th Street, Seattle, Washington 98105 (hereinafter "Assignee") is desirous of acquiring the entire right, title, and interest in and to said inventions, improvements and application, and in and to the Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that pursuant to contractual obligations heretofore assumed by ME/US and/or for other valuable and sufficient consideration, the receipt of which is hereby acknowledged, I/WE have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title, and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and I/WE do hereby authorize and

M&A 30429.2USWO

request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, I/WE do hereby agree that I/WE and MY/OUR executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to ME/US relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore I/WE covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and priority herein conveyed has been made to others by ME/US and that full right to convey the same as herein expressed is possessed by ME/US.
